ESTATES

LONDON

“A REPUTATION BUILT ON TRUST AND SUCCESS”

Managing assets, properties, developments and enhancing income for domestic and international clients for more than 25 years.

We are a prime London based niche firm selling exclusive properties both in UK and international locations. Tailoring to domestic and international clients' needs, we provide a variety of 'on the ground' services, which cover buying & selling, acquiring, asset management, and investor relations. The unique quality of our service and advice, and the investment performance we generate for our clients, are the ultimate measure of our success for more than 25 years.

Over £1 Billion Worth Sold Properties

By knowing our clients' needs and expectations while investing, We have proudly presented, acquired, and managed luxurious properties to our distinguished clients in 4 Continents and 12 countries over 25 years.

Our Ethics

Our commitment to acting honestly, with integrity, and always with clients' best interests at heart, is fundamental to everything we do.

Our Vision

Our vision is to be the real estate adviser of choice in the markets we serve. We did not set out to be the biggest, just the best. In order to achieve this goal, we strive to attract, recruit, and retain the best people in our market, who go the extra mile for their clients.

PADDINGTON ESTATES
